## **PROJECT STATUS UPDATES**

September 23, 2014

# Town of Rimbey

---

## **RB00 – Rimbey General**

This project is for small general requests for the Town.

(August 12)

- Border Paving has indicated that the patching crew is held up due to extremely large projects and have rescheduled the paving for later this month.
- Alberta First Call has been contacted to locate all infrastructure adjacent to proposed skateboard park.
- August 6, test holes were drilled on 35 Ave project to confirm soil types.

(August 26)

- Waiting for Border Paving to start asphalt patching. Contractor has scheduled paving for first week in September. Working with drafting staff to complete drawing for 35 Ave Paving project.
- (September 9) Border Paving started patching Sept 5, and should be complete by Sept 12, weather permitting.

(September 23)

- Town patching is complete.
- Met with Public Works Foreman to discuss piping improvements in sub-drain manhole at the NE Lagoon.

## **RB87 – Hwy 20 Intersections – (GM)**

This project consists of granular base construction (ready for asphalt paving to be completed by others) for both the 54 Av and 58 Av intersections on Hwy 20. Alberta transportation as agreed to pave the intersections in conjunction with the asphalt overlaying of Hwy 53

(August 29) Discussions with Alberta Transportations Consultant (WSP Engineering) have indicated that intersections are scheduled to be paved by September 15. Alberta Transportation through WSP Engineering have indicated that the Town will be required to reshape the gravel surfaces just prior to paving. The Contractor has submitted a progress claim for work completed.

(August 26) Completed Progress Payment # 2 and sent to Contractor for review on work completed to August 14, 2014.

(September 9) Nikirk Bros have reshaped and compacted the granular base course in preparation for paving scheduled for Sept. 11, 2014. Alberta Transportation contractor has cold milled the existing asphalt in preparation for paving.

(September 23) Alberta Transportation has completed the paving on both 54 & 58 Ave. Nikirk Bros. Contracting Ltd. is placing the topsoil on slopes to match the new asphalt. Surveyors checked location of new asphalt and determined that at some location excess asphalt was placed. With the somewhat wider asphalt surface the side slopes require additional fill to reduce the side slope.

**RB90 – Legacy Court Phase II - GS**

(Aug 12) A meeting is scheduled for Friday August 15 to discuss development with the developers.

(Aug 25) The meeting was held and the drainage was discussed between phase 1 and 2, WSP is working on a solution.

(Sept 8) Nothing further received from WSP regarding this development, expecting new plans and municipal infrastructure cost estimates very soon.

(Sept 20) WSP has emailed a new drawing set on Sept 19 which will be reviewed and sent back to the Town ASAP. They are also supposed to send a cost estimate for municipal improvements.

**RB102 South Lagoon Baffle Curtain – GM**

This project consists of improving the baffle curtain support system.

(July 2-Aug 26) No Change.

(July 2- Sept 23) No Change.

**RB106 Rimbey Northeast Lagoon Subdrain Upgrades - GS**

This project is related to all work involving the NE Lagoon repairs and drainage.

(August 12) Contacted Urban Dirtworks indicating that Town was still using their 4 inch pump to dewatering the manhole. We are meeting with Rick to review strategy at this location and to discuss AMEC proposal regarding Well #13. The AMEC scope of work has been emailed to Alberta Environmental for their review.

(Aug 25) We have discussed with Rick and it was decided to order one more electric pump and get the station working in the interm until lift station can be researched more thoroughly. We are looking into a cam lock fitting to hopefully make pump removal much easier. We are trying to schedule Urban Dirtworks for this work.

As discussed with Rick it looks like October is an appropriate time for Amec to complete the field testing portion of their study to determine whether there is connectivity between Well 13 and the Lagoon. Amec is to supply a formal proposal for the testing and investigation between Well 13 and the Lagoon for the Town to sign off. There will also be a separate proposal for the annual ground water monitoring of the piezometers around the NE Lagoon. Rick indicated the south lagoon may be added to this testing.

(Sept 8) Awaiting proposal from AMEC, and response from AENV regarding the proposed methodology.

(Sept 20) AENV has stated they won't be officially prescribing anything related to the site however this is seen as a good step in a risk mitigation planning that they have asked for. AMEC is to provide proposal this week.

**RB108 2013 Walking Trails– GM**

Project: Construct an asphalt trail system from the Rimbey Community Center to Hwy 53 - 55 St, then south along the west boundary of NE 20 – 42 – 2 W, connecting to the Lions Walking Trail.

(August 12) Asphalt trail repairs will be rescheduled to be completed at the same time the asphalt as patching is completed.

(August 26) Contractor is scheduled to complete asphalt patching in the first week in September, 2014.

(September 9) Border Paving has completed the asphalt patching along the trail.

(Sept 23) No Change

#### **RB116 – Bergum Area and Back Lane Storm (GM)**

Project: Assessment of drainage from back lane entering Bergum property

(March 25 – August 26) No Change.

(March 25 – Sept 23) No Change.

#### **RB119 – 2014 Concrete Sidewalk Replacements – (LS)**

(Aug 12) SCC and as-builts have been sent to the Town. Awaiting Town to return the signed SCC copies. Holdback release will be finalized by the end of the week.

(Aug 26) SCC and Holdback Release has been sent to Olds Concrete. Awaiting them to return the signed copy of HB release.

(Sept 8) Signed HB release has been sent to the Town. Project is now complete

(Sept 23) Project is now complete and will be taken off of future updates.

#### **RB120 – Community Center HVAC Upgrades – (GM)**

This project involves the replacement of three (3) Air Handling Units and the Control System for the Rimbey Community Center.

AHU-1 Is the air handling unit that serves the main entrance and administrative areas.

AHU-4 Is the unit that serves the north side of the main auditorium.

AHU-6 Is the air handling unit for the fitness area.

Direct Digital Controls are scheduled to start later next month or early August.

(August 26)

- Rimbey heating has cleaned 7 of the 8 coils. One of the Roof Top Units (RTU's) is sitting on the roof. Contractor is waiting for the roof curb which the RTU is mounted on. The larger RTU is scheduled to arrive mid-September.
- Direct Digital Controls & Services Ltd. have the new controllers in hand and are waiting for the installation of the air handling units before they go in and complete their work.

(September 9) No change waiting for delivery of the large Roof Top Unit.

(September 9 – 23) No change waiting for delivery of the large Roof Top Unit.

### **RB122 – Water System Upgrades 2014 – (GM)**

(August 26) Ram Fencing has received shipment on some of the chain link fence gates which will be installed the week of August 25, with the remaining gates to be built and delivered in the first week of September 2014.

(September 9) Ram Fencing is waiting for delivery of both man and equipment gates. Gate and fence installation along with cleanup will be completed as soon as gates are delivered. Proposal has gone out Sept 10 and will close Sept 25.

(September 23)

- Ram Fencing has completed the fence and gate installation, final clean-up of the existing fence to be completed by September 30.
- Proposals for the water meter and pump-house upgrades are out.

**Re: Seniors' Falls Prevention Month**

Dear Town of Rimbey,

The annual seniors' falls prevention awareness campaign, Finding Balance, is just around the corner and will launch on November 1, 2014 across Alberta. We are seeking your Council's support by recognizing November as Seniors' Falls Prevention Month. A sample proclamation is enclosed.

Developed by the Alberta Centre for Injury Control & Research in partnership with practitioners across the province, the Finding Balance campaign is designed to raise awareness about seniors' falls and educate older adults on the actions they can take to stay active and independent.

Now in its seventh year, the campaign continues to encourage seniors to take action to prevent falls by keeping active, having their medications reviewed, watching their step and speaking up about dizziness. This November Seniors' Falls Prevention Month focuses on 'Keeping Active'. In partnership with UWALK, Finding Balance is hosting a virtual trek across Alberta. Seniors across the province can join the TREK challenge by counting and recording the number of steps they take from November 1 - 30. For more information visit [www.albertavirtualtrek.ca](http://www.albertavirtualtrek.ca).

The campaign includes a variety of tools and strategies to raise awareness and educate about seniors' falls. These include brochures and posters, social media, videos, a website for seniors and practitioners, and media relations and events.

Here are some of the statistics which prompted the development of this campaign:

- Falls are the most common cause of serious injury for seniors;
- 1 in 3 seniors living in the community and 40-50% of those living in institutions will experience a fall each year;
- 50% of seniors who fall, do so repeatedly;
- 40% of nursing home admissions are the result of falls;
- The average length of hospital stay as a result of a fall is 3 weeks;
- Approximately \$160 million was spent in Alberta on seniors' fall-related hospital admissions in 2011, not including costs for emergency room visits, payments to physicians and physiotherapists, homecare, medication or individual costs.

If you would like further information on the campaign or examples of the promotional materials, please contact ACICR Projects Coordinator, Nan Shybunka at 403-342-2125 or [nans@ualberta.ca](mailto:nans@ualberta.ca). We hope we can count on your support for this important initiative. Please contact Nan if you are able to participate.

Sincerely,

Kathy Belton  
Associate Director  
Alberta Centre for Injury Control & Research

# PROCLAMATION

**WHEREAS** seniors are a vital part of our families, communities and province, giving generously of their wisdom, experience and love; and

**WHEREAS** one in three seniors will fall each year, with 50% of seniors falling repeatedly; and

**WHEREAS** seniors have 9 times more falls injuries than other populations; and

**WHEREAS** falls among our seniors will result in over 8,700 hospital admissions and over 24,000 emergency department visits each year; and

**WHEREAS** falling, and the fear of falling, can lead to depression and hopelessness, loss of mobility, and loss of independence; and

**WHEREAS** individuals and organizations from a multitude of disciplines across Alberta are working together to increase awareness of this issue and encourage Albertans to take steps to prevent falling; and

**WHEREAS** the quality of life is improved for Alberta seniors who remain healthy, active and independent;

**NOW THEREFORE**, I (name), do hereby proclaim the month of November 2014 to be *Seniors' Falls Prevention Month* in (location).

## Town of Rimbeby Request for Decision – to Council

Council Meeting Date:	October 15, 2014
Subject:	Budget Meeting Dates
Confidential:	No
Recommendation:	To schedule the first 2015 Budget Meeting for _____ at _____ p.m.
History:	Council has provided the direction that the 2015 budget (operating and capital) will be established prior to the end of the 2014 calendar year.

Ms. Janet Porter  
Rimbey and District Victim Services  
Box 919  
Rimbey, AB T0C 2J0

Dear Ms. Porter:

The Honourable Manmeet S. Bhullar, Minister of Human Services, forwarded your correspondence regarding the closure of the Rimbey Employment Centre. As Assistant Deputy Minister, responsible for the Alberta Works program, I am pleased to respond.

Alberta Works' programs and services are designed to help Albertans understand the labour market, make informed career decisions, develop realistic education, training, and employment plans, and prepare for, find, and maintain work. Albertans seeking assistance in finding employment may visit an Alberta Works office, call the Career Information Hotline (Monday to Friday 8:15 a.m. to 4:30 p.m., toll-free (within Canada) at 1-800-661-3753), or visit <http://www.alis.ca>. Services offered include job search support, resume assistance, career exploration activities, and access to workshops on various career and employment related topics. In anticipation of the closure of the Rimbey Employment Centre, Alberta Works has met with the staff from the Regional Library in Rimbey to ensure that they are aware of the job search supports available online.

The current unemployment rate in the Red Deer region has dropped to 2.5 per cent. However, there are some Albertans who need a little extra help to overcome multiple barriers to employment. Helping these Albertans get into the labour market will improve their quality of life and add new workers to our extremely tight labour market.

Alberta Works – Central Region is responding to this challenge by improving employment services for Lacombe and Ponoka County residents, including the Town of Rimbey. Intensive one-on-one employment services will be provided by local career counsellors to any Albertan who is having trouble finding or keeping a job.

Ms. Janet Porter  
Page Two

I understand that we are just finalizing the contract for the new services in Lacombe and Ponoka Counties, including the town of Rimbey. Thank you for bringing to my attention the concerns of rural Albertans and the unique challenges many Albertans face. Your organization is in a good position to understand the implications of poverty and job search in a rural setting.

Sincerely,

A handwritten signature in cursive script that reads "Donna Ludvigsen". The signature is written in dark ink and is positioned above the typed name.

Donna Ludvigsen  
Assistant Deputy Minister  
Employment and Financial Supports

## Media Releases

Attention: News Editors  
For Immediate Release

### **AUMA Supports Big Cities Charter Framework**

AUMA is pleased that the province has committed to moving forward on building the framework for the big cities charter. "We certainly recognize the unique requirements of the two big cities and support the need for their own powers beyond the MGA," says AUMA President Helen Rice.

"By building the framework for a big cities charter at the same time as we are working on the MGA, we are confident that this will keep the momentum moving forward and support the significant changes needed in the MGA to support all municipalities in the province as they are so intricately linked. AUMA will be an active partner in that process."

The Municipal Government Act (MGA) review has been a key initiative for the AUMA over the last year and is pleased with the progress and approach of the MGA Taskforce. "AUMA will continue to work diligently and collaboratively to ensure that the fundamental changes that are so badly needed in the current act are implemented," adds the AUMA President.

AUMA is seeking significant updates to the Municipal Government Act including powers that enable municipalities to meet citizens' needs, as well as property assessment and taxation updates and other revenue issues to meet the service and infrastructure demands municipalities are facing.
