**Time to start thinking Spring!
 We have lots to chat about this week!**

First Mark your calendars for the first week in June for Senior’s week. Rimbey would not be the great place it is without our seniors, their wisdom, their courage, and their stick-to-itiveness! We were founded by residents and those surrounding the town who had the drive and sheer courage to found and make Rimbey the great place it always has been. The planning committee is looking at some great plans and activities for us all to get involved with and as they unfold, we will let you know. I’m challenging all the businesses in Town (including our Town Hall) to dress up your windows, put up a display, wear period clothing, or get creative in your businesses for celebrating Seniors. Caution though! If you’re planning to ride your horse into town, there is a hitching post permit you have to see me about!

Second We have tendered the new Waste Management contract and selected Cast-A-Waste as the successful bidder. Kelly and his team have provided great service to Rimbey and we look forward to more years of great service. The Town Administration and Council congratulate Kelly and his company Cast-A-Waste for a successful bid and contract negotiation.

Third We tried to street sweep this last week to get a jump on summer, but old person winter beat us to it. Once this little storm melts and the streets are dry, we can look at trying again to initiate street cleaning. Also look for our trucks sporting the new Town logo, new headache racks and other equipment as we professionalize our fleet to serve you better. Rick and his team look forward to another busy spring and summer!

Fourth It’s construction time again! This is just a teaser but the Town is tendering over \$650,000 in overlay for streets and sidewalk repair. We will have maps in the paper and on our web site so that you can see what we’re up to and perhaps take a bit of a detour so that we can work safely and quickly. Remember to slow down in construction zones this summer and give us room to work!

Fifth The Town is in the trade show again this year. We are going to showcase our new mower and tandem and a few other goodies, so make sure you stop at our booth and check out the new equipment that will save us time and money as we work to economize our budget dollars.

That’s the quick version as to what is going on at Town office! As always, we look forward to serving you.

Donna and the Administration Team.

******* IMPORTANT NOTICE *******

SUBDIVISION AND DEVELOPMENT APPEAL BOARD

Applications are now being accepted for the Subdivision and Development Appeal Board. This is a quasi-judicial board. Please stop by the Town of Rimbey Administration Office to pick up an Application for Citizen Appointments to Boards, Commissions and Authorities. There are two year and three year terms available. The successful applicant (s) must be a resident of the Town of Rimbey. The applications will remain open until five public members have been appointed by Council.

Donna Tona, Interim CAO
