SUBDIVISION AND DEVELOPMENT
APPEAL BOARD

Applications are being accepted for the Subdivision and Development Appeal Board. This is a quasi-judicial board. Please stop by the Town of Rimbey Administration Office to pick up an Application for Citizen Appointments to Boards, Commissions and Authorities. There are two year and three year terms available. The successful applicant(s) must be a resident of the Town of Rimbey.

The applications will remain open until five public members have been appointed by Council.

Lori Hillis, Chief Administrative Officer

REMEMBER
STORE IT,
DON'T POUR IT

Improper disposal of fats, oils and grease by residents can build up in the sewer system and cause blockages. This can result in sewer backup, property damages and costs to residents as well as to the Town.

Hot water and soap may remove grease from dishes but not from the walls of sewer pipes. Sewer pipes in the ground are cold so any liquid grease in the wastewater solidifies on the walls of the pipes. Eventually, it can build up enough to cause blockages.

Store your used fats and grease in an empty container such as a tin. Used cooking oil should be cooled and put in a sealed plastic jug. When it is full, put it in the garbage.
