CAREGIVERS

Honoring Central Alberta Foster Parents During National Foster Family Week – October 16 to 22, 2011

National Foster Family Week (October 16 to 22, 2011) provides an opportunity to celebrate the thousands of Alberta foster families and their commitment to vulnerable children and youth. Foster families care for children and youth who are in need of safe and stable home environments. The children and youth served by Central Alberta Child and Family Services Authority (CFSA) share the need to be accepted and supported by caregivers who will nurture their development. Foster parents willingly embrace challenges and support the most vulnerable children and youth to reach their full potential in life.

The Central Alberta Child and Family Services Authority extends a sincere thank you to foster parents for their hard work and dedication.

More Caregivers are needed in Central Alberta communities! For more information on becoming a Caregiver, call toll free anywhere in Alberta by calling 310-0000 and then dialing (403) 755-6104 to speak to the Caregiver Recruiter. Information is also available online at <http://fostercarealberta.ca/>.

The Town of Rimbey now has certified Babysitting instructors through the Red Cross that will hold courses as demand requires. This program covers care of infants, accident prevention, and the rights and responsibilities of the babysitter. We are now taking registrations for a course starting Oct. 11th at the Rimbey Community Centre. There are 12 spaces available.

Belly Dancing

Belly Dancing is set to return to Rimbey this fall under the direction of the highly revered instructor Gabriellah. Many experts say belly dancing is the oldest form of dance, having roots in all ancient cultures from the orient to India to the mid-East. Probably the greatest misconception about belly dancing is that it is intended to entertain men. (©bellydancing.org) Belly dancing is a form of dance that is generally characterized by hip and abdominal movements and is a great way to develop and maintain body control. We are now taking registrations through Recreation Services.

Zumbatomic Fitness - For Youth

Due to the huge success of Rimbey's Zumba Fitness Program, we will be offering a new Zumba program geared towards youth from the ages of 12-15. This is a great program designed to teach young people good fitness habits in a fun, uplifting and controlled environment. The program will run on Monday's from 4pm - 5pm starting October 17th.
