RESULTS ON PUBLIC VOTE QUESTION
JUNE 3, 2013
TOWN OF RIMBEY, ADMINISTRATION OFFICE

PREAMBLE:

The Library is growing and needs more room in order to properly serve the public. After looking at this issue, the Town has proposed selling the existing Municipal Building to the Library Board for \$1.00 and moving Town administrative staff to premises in the Provincial Building. Apart from one-time capital costs to improve the Provincial Building, this solution will not result in increased operating expenses to the Town. This solution will benefit the citizens by allowing the Library to expand in place.

QUESTION:

Under these circumstances, do you agree that the Library should expand into the existing Municipal Building resulting in the Town Office relocating to the Provincial Building?

264

YES

361

NO
