## Weather Procedures

**The pool will not be open for swimming in the events of these weather related situations:**

- **Hail**
  - The pool will be closed for the duration of the hail and will open again when the weather non-hazardous
- **Thunder and/or lightning**
  - We will open a half hour after the last lightning strike and/or thunder sound
- **Extreme Weather**
  - If any weather condition causes the pool to become cloudy and the lifeguards cannot see the bottom, the pool will be cleared and reopened when the weather calms down

Our weather changes quickly, so we will keep updated as much as possible as to when we are closed.
