Reminder to Rimbey Residents & Businesses

The Town of Rimbey Nuisance Bylaw 908/15 is a By-law of the Town of Rimbey, in the Province of Alberta for the purpose of regulating, controlling, and abating nuisances and remedying dangerous and unsightly premises.

Please note the following clauses from the bylaw:

2. Definitions:

2.1 g) "nuisance" means any use or activity upon any property which is offensive to any person acting reasonably, or has or may be reasonably expected to have a detrimental impact upon any person or other property in the neighborhood and without limiting the generality of the foregoing, includes the following:

- (i) grass and/or weeds in excess of twenty (20) centimeters;
- n) "unsightly condition" means:
 - (ii) in respect of land, land that shows signs, relative to the adjacent land and land use, of serious disregard for general maintenance and upkeep.

3. OFFENCES

3.1 No person being the owner, agent, lessee or occupier of any premises or dwelling within the Town of Rimbey shall permit such premises or dwelling or the activities on such place to be or become a nuisance or be in an unsightly condition.

3.2 No person being the owner, agent, lessee or occupier of any premises or dwelling within the Town of Rimbey shall permit the grass, weeds, or other vegetation on a boulevard adjacent to the subject property to become a nuisance by growing uncontrolled. All property owners or occupants are charged with the responsibility of maintaining the boulevard adjacent to, abutting, or flanking their property.

Please show pride in your property by taking the time to care for your lawn and weeds in your yard, back alleys and boulevards.

******* IMPORTANT NOTICE *******

SUBDIVISION AND DEVELOPMENT APPEAL BOARD

Applications are now being accepted for the Subdivision and Development Appeal Board. This is a quasi-judicial board. Please stop by the Town of Rimbey Administration Office to pick up an Application for Citizen Appointments to Boards, Commissions and Authorities. There are two year and three year terms available. The successful applicant(s) must be a resident of the Town of Rimbey.

The applications will remain open until five public members have been appointed by Council.

Lori Hillis, Chief Administrative Officer

**STORE IT,
DON'T POUR IT**

Improper disposal of fats, oils and grease by residents can build up in the sewer system and cause blockages. This can result in sewer backup, property damages and costs to residents as well as to the Town.

Hot water and soap may remove grease from dishes but not from the walls of sewer pipes. Sewer pipes in the ground are cold so any liquid grease in the wastewater solidifies on the walls of the pipes. Eventually, it can build up enough to cause blockages.

Store your used fats and grease in an empty container such as a tin. Used cooking oil should be cooled and put in a sealed plastic jug. When it is full, put it in the garbage.
