CARRIED

4. Public Hearings 4.1 Bylaw 965/20 Amendment to Land Use Bylaw 917/16

Mayor Pankiw called the Public Hearing to order at 5:01 pm.

Mayor Pankiw advised Bylaw 965/20 Amendment to Land Use Bylaw 917/16 is a land use bylaw amendment application to redesignate the remaining portion of Lot 9, Block 10, Plan 0721276 from UH to PS.

Mayor Pankiw requested confirmation of notice of the Public Hearing from the Development Officer.

Development Officer Liz Armitage advised notice of the Public Hearing was placed in the March 17th and March 24th editions of the Rimbey Review, notice was given to adjacent property owners by regular mail and notice of this Public Hearing was posted on the Town of Rimbey web site under important notices with a copy of the complete package available for public review, and on the front and back doors of the Town of Rimbey Administration Office as well as at the front counter.

Additional discussions were held with Alberta Municipal Affairs, in regards to the need to re-advertise the Public Hearing as a virtual meeting. Municipal Affairs indicated that the meeting did not need to be re-advertised, so long as details of the virtual meeting are posted online and on the front and back doors of the Town of Rimbey Administration Building.

Mayor Pankiw inquired if the applicant was present and advised they would have 20 minutes to present their position on the requested amendment to the Land Use Bylaw.

The applicant indicated he had no further comments.

Mayor Pankiw requested a report from the Development Officer regarding Bylaw 965/20 Amendment to Land Use Bylaw 917/16.

On March 3, 2020, the Rimbey Christian School submitted a land use bylaw amendment application to redesignate the remaining portion of Lot 9, Block 10, Plan 0721276 will be redesignated from UH to C2.

Upon completion of the land use bylaw amendment, the Rimbey Christian school will likely be completing a consolidation of the remainder of Lot 9, Block 10, Plan 072 1276 and the Remainder of Lot 10, Block 10, Plan 072 1276. This process is done through Land Titles and not through the Town of Rimbey.

Further, once the lots are consolidated, the Rimbey Christian School has indicated their intention to submit a development permit for a development on the consolidated lot.

Council gave first reading to Bylaw 965/20 Amendment to Land Use Bylaw 917/16 on March 10, 2020. Council set the Public Hearing date of April 28, 2020 and directed administration to circulate notice of Bylaw 965/20 to relevant agencies and adjacent neighbours. Additionally, Council directed administration to advertise the public hearing in the Rimbey Review for 2 consecutive weeks prior to the Public Hearing.

Mayor Pankiw asked the Development Officer if there had been any written submission received.

Mrs. Armitage indicated written submissions were received from:

- Alberta Transportation, March 23, 2020 – “We have reviewed the information provided and offer no objections in principle to the proposed land use amendment and rezoning. Please be advised that the lands subject of this application falls within the development control zone of a provincial highway (300 m from a provincial right-of-way 800 m of the centerline of a highway and public road intersection). If the rezoning is approved and a development is proposed, we would appreciate a referral from the Town at the development application stage and the applicant is required to obtain a Roadside Development Permit from Alberta Transportation.”

- Atco Pipelines & Liquids Global Business Unit, April 8, 2020 – No Objections

Mayor Pankiw asked if there were any persons wishing to be heard regarding Bylaw 965/20 Amendment to Land Use Bylaw 917/16 noting each person would have 20 minutes to state their case for or against the bylaw amendment.

There were no members of the general public logged into the meeting to be heard.

Mayor Pankiw asked a second time if any persons wished to be heard.

There were no members of the general public logged into the meeting to be heard.

Mayor Pankiw asked a third time if any persons wished to be heard.

There were no members of the general public logged into the meeting to be heard.

Mayor Pankiw asked if the Development Officer had any further comments.

Mrs. Armitage advised she had no further comments.

Mayor Pankiw asked the applicant if he had any closing comments.

The applicant advised he had no closing comments.

Mayor Pankiw closed the Public Hearing for Bylaw 965/20 Amendment to Land Use Bylaw 917/16 at 5:05 pm.

5. Delegations

MAYOR RICK PANKIW

CHIEF ADMINISTRATIVE OFFICER LORI HILLIS

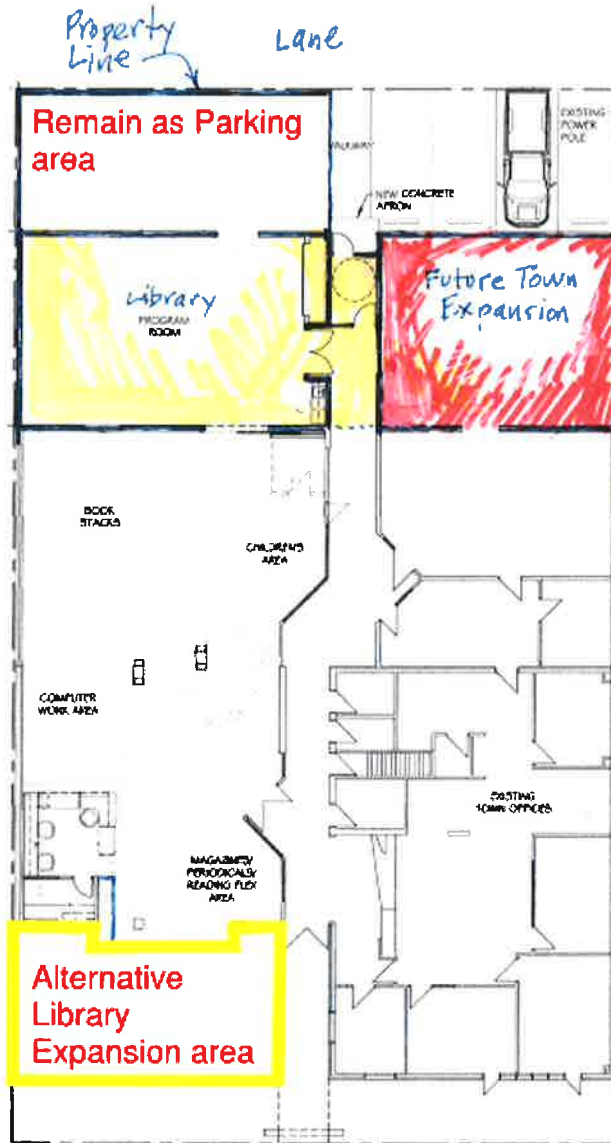

TOWN OF RIMBEY REQUEST FOR DECISION

Council Agenda Item	5.1
Council Meeting Date	May 11, 2020
Subject	Rimbey Municipal Library Expansion – John Hull
For Public Agenda	Public information
Background	<p>On March 12, 2020 John Hull submitted a letter to Rimbey’s Mayor and Council on behalf of the Rimbey Library Board’s Building Committee. The letter indicates that the Rimbey Municipal Library “has long identified a need for additional space of meet its growing community presence.”</p> <p>Mr. Hull indicated that the Rimbey Library Board’s Building Committee would like to opportunity present their proposal to Council. Their goal is to receive the Town’s formal approval in principal to this proposal.</p> <p>Upon receiving formal approval of the concept in principal, the library would then “proceed with detailed design, drawings, costing and a fundraising campaign”.</p> <p>The original letter indicates that at this time the Library is not seeking any financial support from the Town of Rimbey. Note that the Library may seek financial support from the Town and County down the road.</p>
Discussion	<p>As per council motion 078/20, John Hull, Lori Hillis and Liz Armitage met via Zoom on April 24, 2020 to discuss the design proposed to council on April 14, 2020. As a result, of the discussion John Hull revised the concept with alternative design ideas. On behalf of the library board on May 5, 2020 John submitted the Library’s preferred revised design for council to consider. Below is the preferred design. Key design elements are:</p> <ul style="list-style-type: none">• The Town will be able to expand to the rear of the town’s half of the building in the future, at a time determined by the Town.• That Town Council supports rear setback relaxation to accommodate the library’s 10 year growth plans.• That Town Council supports parking relaxations to accommodate the library’s 10 year growth plans.• The Town and the library will need to enter into agreement(s) with nearby businesses to accommodate the reduced onsite parking. Agreements of this nature typically require financial compensation to the party leasing the parking spaces.

Proposed Library Expansion Concept
May 5, 2020

Town administration notes that an alternative design which removes the need to relax the rear yard setback, relax the on-site parking required and remove the need for an off-site parking agreement is as follows:

Note with any design, the town and library will likely need to enter into an agreement that addresses the long-term financial responsibility for improvements completed by the library should the library move relocate in the future.

Attachment

Letter from Rimbey Municipal Library Board Building Committee

Recommendation

Town Council to review the designs presented and provide input on their preferred design.

Town of Rimbey
Rimbey AB

Dear Lori,

This letter is a follow up to the April 14 Town of Rimbey Council meeting.

At that meeting, the Library Board had requested the Town's approval in principle on the proposed Library expansion across the north of the building. We need this to proceed with detailed design and fundraising.

At the meeting there was discussion about accommodating future expansion needs of the Town. We were asked by Council to discuss this issue further with yourself and Liz to see if there was an approach which would satisfy Council's concerns.

We have had good discussions since then about the building expansion, and a few interesting opportunities presented themselves. We feel there are expansion concepts which can accommodate both the Library and Town over the long term.

I have attached our Board's preferred plan option, which evolved from our discussions. This one shows an expansion of the Library to the north property line as shown in yellow. Future Town expansion shown in red would take place north of the existing Council Chamber.

This concept would require a relaxation of the land use bylaw rear yard setback requirement. As well, it would necessitate finding replacement parking, perhaps at the United Church or the Bank of Montreal for about four lost stalls.

We would like the opportunity to discuss this in more detail with Council and the Development Officer again at the next meeting and to answer any questions you may have.

Yours truly,

A handwritten signature in blue ink, appearing to read 'John Hull'.

John Hull
cc: Rimbey Library Board and Liz Armitage

Proposed Library Expansion Concept

REQUEST FOR DECISION

Council Agenda Item	7.1	
Council Meeting Date	May 11, 2020	
Subject	Bylaw Committee	
For Public Agenda	Public Information	
Background	<p>Councillor Rondeel has asked to bring forward a discussion on the formation of a Bylaw Committee to prepare and review the bylaws of the Town of Rimbey.</p> <p>Any council committee created must be done by bylaw. The bylaw establishes the reason for the committee, the meeting procedures, and appoints committee members. The bylaw must also outline if any powers are delegated to the committee.</p>	
Discussion	<p>The bylaw committee would review all existing bylaws to determine if they are still relevant to the Town. The committee would also review all proposed new bylaws to provide input before bring to a regular Council meeting.</p> <p>All bylaws must still be passed through regular Council meetings.</p>	
Relevant Policy/Legislation	MGA 145	
Recommendation	Council determine if they wish to form a bylaw committee.
