2. Public Hearing 2.1 Bylaw 887/13 Rezoning Spelrem Amendment to Land Use
Mayor Ibbotson called the Public Hearing to order at 7:00 pm for Bylaw 887/13 Rezoning Spelrem Amendment to Land Use.

Bylaw 887/13 is a bylaw that is looking at rezoning parcel Lot 20, Block 9, Plan 812 0791 located at 4502 51 Street, from C2 to R2.

The Development Officer confirmed to Council notification was sent to adjacent property owners within a 60m radius by regular mail and Bylaw 887/13 Rezoning Spelrem Amendment to Land Use was advertised for the weeks of April 30th and May 7th in the Rimbey Review. The Bylaw was also advertised on the Town of Rimbey Website.

A rezoning application was received on March 15, 2013 from the owner of Lot 20, Block 9, Plan 812 0791(4502 – 51 Street). This site is currently zoned C2 and the property owner is requesting a rezoning change to R2.

The rezoning application has been reviewed by West Central Planning Agency.

Written submissions have been received from:
Keith and Glenna Spelrem - (applicant, 2 letters)
West Central Planning Agency (opposed)
Darren Boorman (in favour)
Len and Donna Heilemann (in favour)
Bob Collis (in favour)
Harry Stuart (opposed)
Stan Cummings, SJC Development Corporation (opposed)
Dave and Wendy Huff, Michael;s Studio (opposed)
Garry and Joanne Marek & Melanie Quaife, 1530066 & 1319698 Alberta Ltd. (opposed)
Rhonda Tarney (opposed)
Dale and Mary Rose Barr (opposed)

Mayor Ibbotson asked if there was anybody in the gallery who would like to be heard.

Development Officer Beebe indicated the following individuals have requested to speak at the hearing:

Keith Spelrem – property owner spoke with reference to the 2 letters he submitted indicating he would answer any questions pertaining to the letters. Mr. Spelrem spoke regarding West Central Planning Agency and the lack of access from 51 Street. Mr. Spelrem summarized the second letter addressing the 2007 issue indicating there was a proposal in principle made which would have residential on the south (lower) and commercial on the (north) upper

second lot

1 member of the public entered at 7:10 pm.

Mrs. Wendy Huff, Michael's Studio spoke regarding the availability of property zoned C2 in Rimbey, noting that there are not many. This is a commercial development and Mr. Spelrem should be required to provide access from 51 Street as all other businesses along 51 street have had to do. Mrs. Huff indicated there is a business located in the building now and he is in a commercial district.

Mr. Dave Huff indicated his concerns noting if the parcel is rezoned to R2, there will be no further development on the other available commercial lots.

Mr. Bob Collis spoke regarding access to the building and on the grade of the land. He spoke on compatibility, put like properties together and blend where there are differences. He noted it is very difficult to do this in a place that has a small geographic area like Rimbey. Mr. Collis indicated the properties located to the west are zoned R1 and it was logical to have low density carry on further. The south side of 45th Avenue is zoned R1. The access to Rimwest from 51st Street is 45th Avenue. All the traffic to the area comes in or goes out of Rimwest on 45th Avenue or Park Avenue. In the relationship with Battle River Planning Agency, Council relied on the expertise of the professionals in dealing with the reality that exists.

Mr. Stephan Olsen spoke indicating his concerns as a developer indicating every time he does a development, he must follow the requirements as set out by West Central Planning Agency. He would like to see consistency maintained.

Mr. Stan Cummings, a developer in Rimbey, indicated his concern is that originally that the building design was commercial and building inspections. He noted there is a plan in place from the West Central Planning Agency and the rezoning must meet the criteria set out in the Municipal Development Plan. He reiterated that West Central Planning Agency does not agree with the application.

Mayor Ibbotson asked a second and third time, if there was anybody who wished to speak regarding Bylaw 887/13 Rezoning Spelrem Amendment to Land Use. There were no additional responses.

Mayor Ibbotson declared the Public Hearing regarding Bylaw 887/13 Rezoning Spelrem Amendment to Land Use closed at 7:37 pm.

Mayor Ibbotson called the Regular Council Meeting to order at 7:38 pm.

TOWN OF RIMBEY AGENDA ITEM

Meeting	Council	Meeting Date	June 10, 2013		
Agenda Item No.	7.1	Confidential	Yes	No	XX
Topic	Results – Public Vote June 3, 2013				
Originated by	Tony Goode		Title	CAO	

BACKGROUND:

By way of Motion 128/13, (4-1), Council resolved to hold a non-binding public vote, under section 236 of the MGA, on June 3, 2013 regarding the Library expanding on the Municipal Building.

By way of Motion 129/13, (5-0), Council determined the wording as follows for the preamble and question for the public vote:

Preamble:

The Library is growing and needs more room in order to properly serve the public. After looking at this issue, the Town has proposed selling the existing Municipal Building to the Library Board for \$1.00 and moving Town administrative staff to premises in the Provincial Building. Apart from one-time capital costs to improve the Provincial Building, this solution will not result in increased operating expenses to the Town. This solution will benefit the citizens by allowing the Library to expand in place.

Question:

Under these circumstances, do you agree that the Library should expand into the existing Municipal Building resulting in the Town Office relocating to the Provincial Building?

Documentation Attached:	Yes	No	XX
-------------------------	-----	----	----

DISCUSSION:

Returning Officer Kathy Blakely and Deputy Returning Officer Melissa Beebe manned the voting station for the entire vote. 625 electors voted. The unofficial results are as follows.

Yes – 264 No - 361

These results become official at noon four (4) days following the vote (Friday June 7, 2013).

RECOMMENDED ACTION:

Administration recommends Council rescind Motion 008/13 (Moved by Councillor Payson to sell the Town Administration Building to the Rimbeey Municipal Library Board for \$1.00, with the condition that the Town of Rimbeey gets first right of refusal for \$1.00, if the Rimbeey Municipal Library Board decides to sell the building).

Good Afternoon,

Please find attached a copy of a letter that we received at the office this morning. I showed it to Sheldon and he has asked that I forward a copy to the Cemetery Committee. Does anyone have any issues with this request?

Thanks

To Whom It May Concern:

I am writing on behalf of the family of Balzer Heisler. My father, Balzer, passed away and was interred in the West Haven Cemetery in March of 2012.

Dad rests in a niche on the west side of the columbarium. We would like to place a park bench on the west side, facing the columbarium.

Please advise if there is a specific type of bench that meets the requirements of the Town of Rimbey as well as any other conditions required to meet approval of the Cemetery Board.

Kind regards,

Katherine Heisler-Moore

April 10, 2013

Kathy,

Jack Webb called to advise ok to go ahead with bench in cemetery.

Laurie Braun

May 12, 2013

Hi Kathy,

My only concern is that any bench placed in the cemetery be placed in a common area and not on any plot. I would also be concerned if the bench was not that of a lasting quality. By this I mean that the benches presently in West Haven Cemetery are constructed of either granite or concrete aggregate. I would not wish to see anything of a lesser quality (store bought bench at home hardware for instance). At some point a master plan should be completed as to what the future needs are in the cemetery.

Thanks,
Wayne

June 5, 2013

Hi Kathy

Well, better late than never lol.

Yes, we do totally agree with Wayne`s questioning on this matter. As well, we would like to see a ``Master Plan`` as such regarding future needs and wants for both Mount Auburn Cemetery and West Haven Cemetery.

Hope all goes well with your response back to K. Heisler-Moore.

Laverne and Michelle Oberhammer

CULTURE

*Office of the Minister
MLA, Edmonton-Glenora*

May 24, 2013

Dear Mayor:

Culture in Alberta is everywhere! It's pottery-making in Camrose, reliving the fur trade in Dunvegan, choir practice in High River, and multicultural cooking in Grande Prairie. Alberta's largest celebration of our heritage, arts and cultural diversity, Alberta Culture Days, will take place September 27-29. Every year, a growing number of Albertans are taking this opportunity to put culture center stage. In 2012, over 80 communities across the province hosted over 1,200 events!

This year, you could play a lead role in the experience by hosting an Alberta Culture Days event or partnering with others in the community to offer activities. It is a wonderful opportunity to foster relationships, strengthen community spirit and showcase local talent. Participating in Alberta Culture Days can be as simple as sponsoring events, providing matching dollars to event planners in your community, or having your Community and Recreation Departments host an event. In previous years, municipalities have joined the celebrations by officially proclaiming the last three days of September as Alberta Culture Days.

AlbertaCultureDays.ca provides a number of resources to help you plan and promote your events. Add your event to the Alberta Culture Calendar (www.culture.alberta.ca/events) to let community members know about your activities.

Our sincere thanks if you count yourself amongst past Alberta Culture Days event organizers. Together, we are ensuring Albertans have the opportunity to experience the variety of talent and cultural activities we have all across our great province.

Best Regards,

Heather Klimchuk
