Estimated data are extracted from the 2015 DemoStats, DaytimePop, HouseholdSpend, WealthScapes, and Business Profiles Canada datasets developed by Environics Analytics. The report uses an Environics Analytics' forecasting process to determine current year and future projections based on 2011 Stats Canada information.

Variables marked with an asterisk (\*) are based on data supplied by Municipalities, Alberta Municipal Affairs, National Household Survey, CMHC Rental Report June 2015 or the GOA 2014 Apartment Vacancy & Rental Cost Survey. This report is for information purposes only and CAEP does not assume any responsibility or liability by providing it.
